

VILLAGE OF WESTON

RESOLUTION NO. 2014 - 20

A RESOLUTION, adopting a policy for use of personally owned smart phones and/or tablets by Village employees to access Village network resources.

WHEREAS, the Village of Weston has an incoherent policy practice regarding the administration of both its employer-provided cellular phone fleet, and its current practice regarding reimbursement of employee cellphones for Village uses.

WHEREAS, it is in the best interest of the Village of Weston to adopt a policy for the use of personally owned smart phones and/or tablets by Village employees to access the Village of Weston network resources.

WHEREAS, after study and review of industry best practices by both the Personnel and Finance Committees, both Committees have recommended that the Board of Trustees should adopt a "Bring Your Own Device Policy" or BYOD policy.

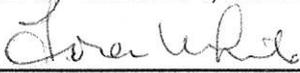

WHEREAS, the implementation of a BYOD policy within the Village of Weston would specifically accomplish the following policy outcomes:

- (1) At the first opportunity presented for the termination of cellphone contracts which are paid for and provided by the Village that these contracts should be terminated and the employee should be evaluated for whether they are eligible for a cellphone reimbursement under the proposed BYOD policy language.
- (2) Create a coherent reimbursement policy for all non-exempt, exempt, and first responder positions within the Village of Weston local government organization.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees for the Village of Weston that the bring your own device (BYOD) policy attached, and identified as Personnel and Policy Procedure Handbook section 10.03 hereto shall be adopted and approved.

PASSED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF WESTON, at a regular meeting thereof, this 15th day of the month of December 2014.

VILLAGE OF WESTON, a Municipal Corporation of the State of Wisconsin.
