BACKGROUND:

Last year, staff was approached by several people wanting to operate a mobile food vending unit within the Village. This has become an increasingly popular food option for people around Central Wisconsin. To be pro-business, staff moved forward with compiling a draft ordinance to allow for such a use within the Village. It is important that the Village allows for these uses, as for many of these small business owners it is a stepping stone to owning and operating their own restaurant. If and when they choose to make that big step, staff hopes that with by welcoming this use in the Village the business owner would choose Weston for their brick and mortar location. Please note that if the Board chooses to approve
