**QUESTION:**

Should the Board of Trustees approve an amended Fee Schedule for 2017 as presented by adopting Resolution No. 2017-005?

---

**BRIEF:**

Village Departments have reviewed the Fee Schedule and are proposing the attached as the amended Fee Schedule for 2017. The Board tabled it at the 2/20/17 Board Meeting to look at further. Staff has removed all building permit related fee schedule changes at this time so we have more time to review internally. Due to liquor license renewals needing to be sent out by the end of the month, the following changes are being proposed right now:

Operator/Bartender, New Application and Renewal:

The fee for the provisional license was removed because with the new licensing software, every applicant who is eligible, will automatically receive a provisional license, which saves on staff time. With the fee being removed, part of the old fee (\$15.00) was incorporated into the fee for a new applicant. The renewal fee was rounded up to \$50.00 because this was consistent with other communities in the metro area.

Garbage and Recycling, 45/90-Gallon Collection, Annual Fee:

This fee increase was already approved by the Board of Trustees at a previous meeting and is being updates on the Fee Schedule to reflect those changes.

Swim Lessons, Resident and Non-Resident:

This fee increase was already approved by the Board of Trustees at a previous meeting and is being updates on the Fee Schedule to reflect those changes.

---

**RECOMMEND:** Staff recommends approval.

---

**COMMITTEE:** Rec. Parks and Forestry approved the Aquatic Center/Park fees in 2016. Board approved garbage charges for 2017. No other committee review completed.

---

**REQUEST:** Approve Resolution #2017-005 under Unfinished Business
