ORDINANCE NO. 17-016

AN ORDINANCE TO AMEND TO SECTION 94.4.02(2): TO ESTABLISH A PROHIBITION OF CONSTRUCTION OF NEW CARPORTS FOR TWO-FAMILY RESIDENCE LAND USES.

WHEREAS, the Village of Weston is authorized to prepare, amend and adopt a zoning ordinance under Wis. Stats. §§ 62.23 and 61.35; and

WHEREAS, the Village adopted a new Chapter 94 in March 2015, to serve as the Village's general zoning ordinance and the Village's extraterritorial zoning ordinance for the portions of the Town of Weston defined as the extraterritorial zoning area; and

WHEREAS, in administering this new Chapter 94, Village staff has found Sec. 94.4.02(1) does not adequately address the regulations needed to prohibit the construction of carports for two family attached dwelling units in the Village and Town; and

WHEREAS, Village Staff is proposing amendments to Chapter 94 Zoning to provide regulations for prohibiting the construction of carports for residential use; and

WHEREAS, the Plan Commission has recommended enactment of the Zoning Ordinance amendments set forth below, for applicability within the Village limits; and

WHEREAS, the Joint Town and Village Extraterritorial Zoning Committee has recommended enactment of the Zoning Ordinance amendments set forth below, for applicability within the Extraterritorial Zoning limits of the Town of Weston; and

WHEREAS, the Joint Village and Town of Weston Extraterritorial Zoning Committee and Village Plan Commission have held a joint public hearing on this ordinance, on July 17, 2017, in compliance with Wis. Stat. § 62.23, and following such hearing the Board considered public comments and the recommendation of the Village Plan Commission and Joint Village and Town of Weston Extraterritorial Zoning Committee; and

WHEREAS, the Village Board finds the proposed amendment is reasonable, consistent with the Village Comprehensive Plan, and in the public interest;

NOW, THEREFORE, the Village Board of Weston, Marathon County, Wisconsin, does ordain as follows:

SECTION 1: Chapter 94 Zoning Ordinance is hereby amended to provide as follows:

94.4.02: Residential Land Use Types

(2) **Two-Family Residence.**

A single structure containing two separate dwelling units, each unit having a private individual exterior access, and with no shared internal access within the building. Two-Family Residences can be constructed as attached side-by-side units each with a ground floor and roof (duplex), or as a two-story structure with one unit above the other (flats). Where side-by-side, both dwelling units may either share the same lot or be on separate lots as a “zero lot line” structure, such as that depicted in the top panel of Figure 4.02.

Performance Standards:

1. Each Two-Family Residence constructed after March 18, 2015 shall meet performance standards 1 through 8 in subsection (1) above, except where otherwise allowed by conditional use permit.
2. The structure must be in compliance with the Wisconsin Uniform Dwelling Code (UDC).
3. Where side by side, a building code-required, fire rated wall must separate the two dwelling units from the lowest level to flush against the underside of the roof.
4. Individual sanitary sewer and public water laterals and utility meters are required for each dwelling unit.
5. The minimum gross floor area of each dwelling unit shall be 700 square feet, exclusive of attached garages, carports, and open decks/porches.
6. If in a subdivision platted after March 18, 2015, shall meet the single-family and two-family housing variety standards in Section 94.10.02.
7. Each unit within each new Two-Family Residence shall be served by a separate driveway, or minimum driveway width for any shared driveway shall be not less than 30 feet at the front lot line.
8. No carport may be attached to a Two-Family Residence after [insert effective date of ordinance].
9. Minimum Required Off-Street Parking: 2 outdoor spaces per dwelling unit, such as in a driveway, plus spaces in garage(s). All motor vehicles shall be parked on a hard surface, or on a graveled surface if such surface was permitted before January 1, 2014 and completed within one year of issuance.
10. Zero Lot Line Structures (see Figure 4.02). For buildings containing two separate dwelling units constructed side-by-side, with each unit located on a separate lot, having a private individual exterior access, and no shared internal access within the building, the following additional standards shall apply:
 - a. The duplex shall meet the front, side, and rear setbacks required for the applicable zoning district, except that the shared wall shall have no minimum setback requirement.
 - b. The builder shall provide, with the zoning permit or building permit application, an agreement or covenant specifying maintenance standards for the common wall, maintenance and replacement standards for exterior surfaces of the building to maintain a neat and harmonious appearance over time, maintenance standards for any common sewer lateral and any other common features, and restrictions against construction of detached single family residences on any of the affected lots in the event either or all sides of the zero lot line construction dwelling are destroyed. Such agreement or covenant shall also provide that it may not be terminated, amended or otherwise altered without the approval of the Village Board. Such agreement shall be subject to Zoning Administrator approval, and then recorded by the builder against all affected properties prior to occupancy of the dwelling as a zero lot line structure.

SECTION 2: The amendment effectuated by this Ordinance shall apply within the municipal limits of the Village and within its extraterritorial zoning jurisdiction in the Town of Weston.

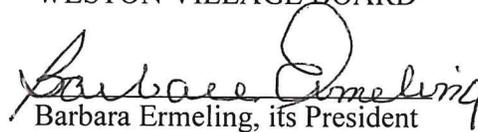

SECTION 3: SEVERABILITY. If any section, clause, provision, or portion of this Ordinance is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of this Ordinance shall not be affected thereby. If an application of this Ordinance to a particular structure, land, or water is adjudged unconstitutional or invalid by a court of competent jurisdiction, such judgment shall not be applicable to any other structure, land, or water not specifically included in said judgment. If any requirement or limitation attached to an authorization given under this Ordinance is found invalid, it shall be presumed that the authorization would not have been granted without the requirement or limitation and, therefore, said authorization shall also be invalid. Any other ordinances whose terms are in conflict with the provisions of this ordinance are hereby repealed as to those terms that conflict.

SECTION 4: EFFECTIVE DATE. This ordinance shall take effect upon approval and publication.

AMENDMENT TO ZONING REGULATION (TEXT AMENDMENT) DETERMINATION
PLANNING AND DEVELOPMENT
PLAN COMMISSION / JOINT TOWN & VILLAGE EXTRATERRITORIAL ZONING COMMITTEE
BOARD OF TRUSTEES

Ordinance No.:	17-016	Hearing Date:	July 17, 2017
Applicant:	Jennifer Higgins, Zoning Administrator, Village of Weston		
Title:	An amendment to Section 94.4.02(2): to establish a prohibition of construction of new carports for two-family residence land uses.		
Purpose:	As the current code is written, it does not expressly prohibit carports. Carports are 2 or 3 sided structures that do not have a garage door.		

The Department of Planning and Development, Plan Commission and Board of Trustees of the Village of Weston, pursuant to the Village of Weston Zoning Code, Article 16 Processes, Section 94.16.02 Amendments to Zoning Regulations (Text Amendments), hereby makes the following findings and evaluation:

DETERMINATION:

1. Is the proposed text amendment consistent with the Comprehensive Plan, as is required by Wisconsin Statutes?
Yes, the proposed changes coincide with the objectives within the Land Use element of the Comprehensive Plan
2. Does the proposed text amendment further the purposes and intent of this Chapter and section to which the amendment is proposed?
Yes, this section continues to promote better construction of attached and detached structures and makes the code easier for residents and contractors to understand.
3. Does the amendment address any of the following deficiencies or omissions as compared to the current language of this Chapter?
 1. A change has occurred in the land market, or other factors have arisen that require a new form of development, a new type of land use, or a new procedure to meet said change(s).
 2. New methods of development or providing infrastructure make it necessary to alter this Chapter to meet these new factors.
 3. Changing governmental finances require amending this Chapter in order to meet the needs of the government in terms of providing and affording public services.**4. There is an error or internal inconsistency in this Chapter.**
4. Does the proposed amendment maintain the desired compatibility with allowable land uses, land use intensities, and impact on resources of the affected zoning district(s)?
Yes, there is not any impact on the allowable land uses, intensities or resources in any of the zoning districts.

BACKGROUND INFORMATION:

In past zoning codes, the use of carports was prohibited. In the new zoning ordinance, it was overlooked and the prohibition was not continued. Staff is proposing to restore the prohibition on carports, as they tend to lead to harboring pests, junk and other debris. Over time they tend to become unsightly and not built to withstand high winds or heavy snow loads. A carport does not include open overhangs that are attached to a principal or accessory structure.

QUESTION:

Should the Board approve Ordinance 17-016 as recommended by the Plan Commission to establish a prohibition of construction of new carports for single-family, two-family and multiple family dwelling units?
