**QUESTION:** Should the CDA adopt a resolution showing continued support for redevelopment of the County Road X Corridor?

---

**BRIEF:** The Village of Weston chooses to take an active role and to be a partner and stakeholder in managing the changes to come as change is inevitable with the passage of time. One of these changing areas is the County Road X Corridor. Over the years, the corridor has changed from a 2-lane residential area into the 4-lane main entrance into the community. With the change has come an increased amount of traffic prompting many of the homes to switch from owner occupied to rental properties as the property owners moved their families away to areas with less traffic. The area is ripe for transitioning into new land uses and in 2016 the Village Planning and Development Department assisted the Plan Commission and Village Board in the creation of the County Road X Corridor Plan to guide future development within the corridor. The Plan was officially adopted as part of the Village’s Comprehensive Plan on February 20, 2017. The adoption of this resolution reinforces the CDA’s commitment to redeveloping this vital corridor in the Village.

**RECOMMEND:** Executive Director/CDO recommends approval.

---

**COMMITTEE:** No previous review. Similar Resolutions will be going to the following committees/boards in the coming month for their review and approvals:  
Finance (4/2/18)

- WHEREAS,** The condition of the local economy directly influences local growth and development, and therefore is a central element of planning for a community’s future; and
- WHEREAS,** some municipalities prefer to take a backseat when it comes to economic development, letting the market alone dictate the growth of the community. The Village of Weston chooses to take an active role and to be a partner and stakeholder in managing the changes to come as change is inevitable with the passage of time; and
- WHEREAS,** County Road X, also known as Camp Phillips Road, is the major travel way into the village from Highway 29; and
- WHEREAS,** Redevelopment of the Corridor to reduce and remove accesses along County Road X is necessary to ensure that the Corridor remains a vital corridor within the Village; and
- WHEREAS,** on February 20, 2017, the Village adopted the County Road X Corridor Plan as a supplemental chapter of the Village’s Comprehensive Plan. The purpose of the Plan was to serve as a blueprint for future (re)development, zoning decisions, and public investments along the corridor; and
- WHEREAS,** this Plan will guide property owners and developers interested in selling or changing land uses along the Corridor. At the same time, existing property owners and residents are in no way compelled to participate, sell their property, or move. Further, the Plan is crafted in such a way to protect, to the extent practical, the enjoyment of residents who do not wish to sell their homes or land at this time; and
- WHEREAS,** the Village will use the Plan as a basis for making future decisions on rezoning, conditional use permits, site plan approvals, and other zoning decisions, supplementing the
